

**Tim Black, General Director of Scripture Union South Africa and Director of Reach Africa turned 60-years-old on September 29! To commemorate 60 turns around the sun, Tim wants to celebrate with a gift that would make a transformative difference in the lives of young people. We want to invite you to celebrate with us & join our vision!**

Reach Africa and Scripture Union SA seek to develop young people socially, mentally, spiritually and physically. Scripture Union SA has a long legacy, nearly 100 years, of children's work that has not only enabled young people to 'know and walk with God' but has pushed the boundaries for community transformation across South Africa.

**A VERY special youth engagement project has been launched in partnership with Reach Africa and Scripture Union SA to celebrate Tim's 60th birthday!**

This project will bring the **Reach4Life Bible** alive digitally for young people of all ages. Teaming up with Sling Shot Media and author/speaker, Terran Williams, a state-of-the-art video series will be produced to engage young people with the gospel in ways that are contextual, timely, and relevant. Issues youth face will be addressed *head on* such as peer pressure, substance abuse, sexuality, identity, gang violence, and more – **all pointing young people back to Scripture**. These **high-quality and captivating video tools** will meet young people right where they are with a life-changing message and walk alongside them with tools to **grow faithfully, live abundantly, and change the world passionately**.

**\$30,000 is what it will take to bring this project to life!**

Reach4Life Bible has made it in the hands of 1 million young people. By leaning into the deeply-rooted relational ties of Scripture Union's decades of school work and global footprint, we believe this transformative project can be **explosively multiplied in South Africa and beyond!**

**Join us in bringing the Reach4Life Bible off its pages and into the ears, eyes and hearts of youth through a captivating video series!**

# Why South Africa?

South Africa is an amazing country filled with incredible diversity, experienced in the beauty of its landscapes and the faces of its people. Our desire, whether in the US or in SA, has always been to join with the local church to **facilitate a movement of the gospel that engages poverty and inequality in a way that makes Jesus known and worshipped.**

Despite the beauty of the nation and people, South Africa has been named as one of the most violent and dangerous places on earth and getting worse. With worsening conditions, Reach Africa and Scripture Union SA is focused on making a **transformative impact on young people, many who are experiencing the hardships of violence, poverty, and trauma.**

**This has been an incredibly challenging year. Would you consider a gift that would help us close the funding gaps we have experienced in Scripture Union South Africa?**

## **Every dollar makes a massive difference!**

**By December 31st, we hope to have \$60,000 in elevated support.**

- \$30,000 for full production of the priority video series

- \$30,000 to fill any gaps in ministry operations to continue transformative work

**God's word changes lives.**

*Your gift can make a transformative impact in the lives of young people in South Africa and beyond!*
